

Product Name	Monopoly
Elevator Pitch	Do you want a fast and easy to play version of Monopoly? With this app, you can have a game started in seconds, play with up to five other friends, and keep track of wins/losses among other stats in your profile!
Initial Features	
F01	Users can create a player profile with a list of game statistics. Users may also delete their profile if they wish.
F02	Up to six players are supported in game.
F03	Users can play a video game representation of the board game Monopoly.
F04	Users may adjust certain rules of the game, including starting salaries, the bonus for free parking, and whether they wish for the option of properties to be auctioned.
F05	Users may adjust the control scheme of the game to whatever they like.
F06	Users may change the theme of the Monopoly tokens and board.
